

# *Email Advertising Sampler*

**5,000 quality prospects**

**Consumer or Business**

**\$525.00**

**Targeted selection, deployment & reports**

---

*Offering a low budget sample for businesses to test the effectiveness of their advertising message using opt-in qualified email,*

*We will help you in selecting targeted names using the profile of your customers from a range of demographic and psychographic characteristics.*

*Assistance is always available to aid in developing compelling graphics and message for conversion to the HTML format used in email communications,*

*Or*

*Taking a copy only approach to getting the message to a qualified audience,*

*Then*

*Schedule an optimum day and time for the email to be sent (deployed) for delivery to 5,000 opt-in recipients,*

*Followed by an activity report showing number of delivered emails, the number of opens, and the number of clicks on links that are embedded in the email, i.e. a link to a web site or landing page.*

*Time to give it a try?*
